

Let Us Lead By Serving Others

The Bullion Primary Junior Beta Club is a chapter of the National Junior Beta Club. It is an honor club for 5th grade students who have been chosen because they have demonstrated outstanding academic achievement, and exemplified a worthy character.

The National Beta Club, as well as our chapter, recognizes high academic achievement, promotes character and social responsibility, encourages service involvement to school and community, fosters leadership skills, and provides settings for students to develop interpersonal relationship skills.

Members are encouraged to be active in service around the community, as well as actively serve together around campus. All Beta members must Maintain a 3.5 grade point average in core subjects (ELA, Math, Science, and Social Studies) as well as maintain a conduct grade of an "A" each nine weeks.

Our Beta club also participates in state convention each year, where students are given the opportunity to strengthen their academic and leadership skills, showcase their talents and artistic abilities, and interact with Junior Betas from all over Louisiana.
